The hardcopy form is also include at the end of this form package. There may be differences between the electronic versions of the forms due to the availability of conditionality and the ability to prefill data fields.

Construction Stormwater (ALR100000) - Voluntary Termination (Form 021)

Construction Stormwater-Voluntary Termination Request

To properly terminate your permit for construction, a Notice of Termination (NOT) is required to be submitted within thirty (30) days of one of the following conditions:

(a) Final stabilization has been achieved on all portions of the facility/site. *Final stabilization* is defined as the application and establishment of the permanent ground cover (vegetative, pavements of erosion resistant hard or soft material or impervious structures) planned for the site to permanently eliminate soil erosion to the maximum extent practicable. Established vegetation will be considered final if 100% of the soil surface is uniformly covered in permanent vegetation with a density of 85% or greater. Permanent vegetation shall consist of; planted trees, shrubs, perennial vines; an agricultural or a perennial crop of vegetation appropriate for the region. Final stabilization applies to each phase of construction. (ALR100000 Permit Part V.)
