# Notice of Temporary Closure

Submit this form to ADEM within 30 days of beginning temporary closure.

**Owners must meet the following requirements:**

- The tank must be emptied (less than 1 inch of residue)
- Product may be left in the tank, but only if release detection systems continue to be operated.
- Vent lines must remain open and functioning
- All other lines, pumps, manways, and ancillary equipment must be capped and secured
- Continue to operate and maintain **corrosion protection systems**
